

FEEDBACK : SIRO

DATE: 2008 / 2009

ORGANISATION: Open Courses (first four workshops)

1. Did the workshop meet your expectations?

All of them	28
Most of them	10
Some of them	1
Few of them	0
None of them	0

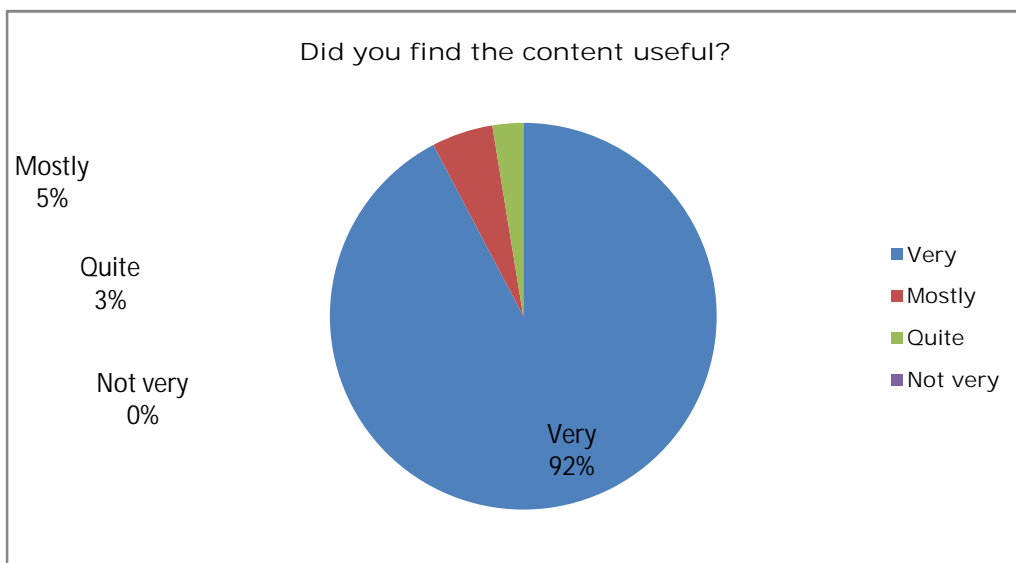

2. Did the Workshop Leader(s) meet your expectations?

All of them	31
Most of them	9
Some of them	1
Few of them	0
None of them	0

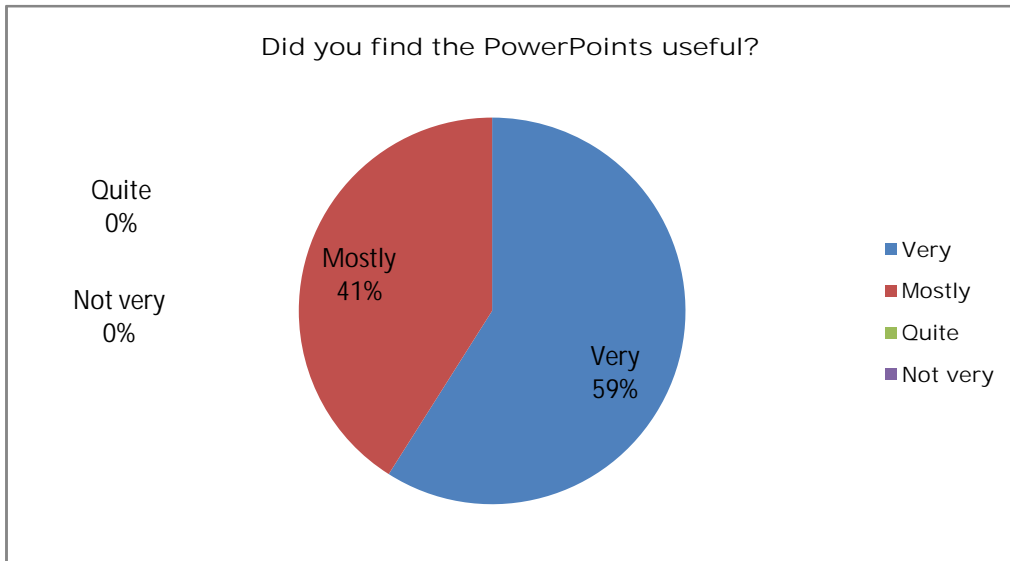

3. Did you find the content useful?

Very	36
Mostly	2
Quite	1
Not very	0

4. Did you find the PowerPoints useful?

Very	23
Mostly	16
Quite	0
Not very	0

5. If you feel that the workshop was lacking in any area, what else do you feel would be appropriate to include or what improvements do you feel would be necessary?

Nothing lacking

As the course develops it would be useful to have worked examples (I realise this is t  
N/A Excellent Workshop

N/A - Comprehensive

More links to specific IG Toolkit requirements. More links to Corporate Risk Managen  
SIRO job description would have been useful.

Thought this covered the role well.

Will we get electronic copies of the powerpoint overheads?

More consideration of PCT as commissioner of healthcare services and their accounta

More space for answers on scenario sheets. More on how a IAO network might oper

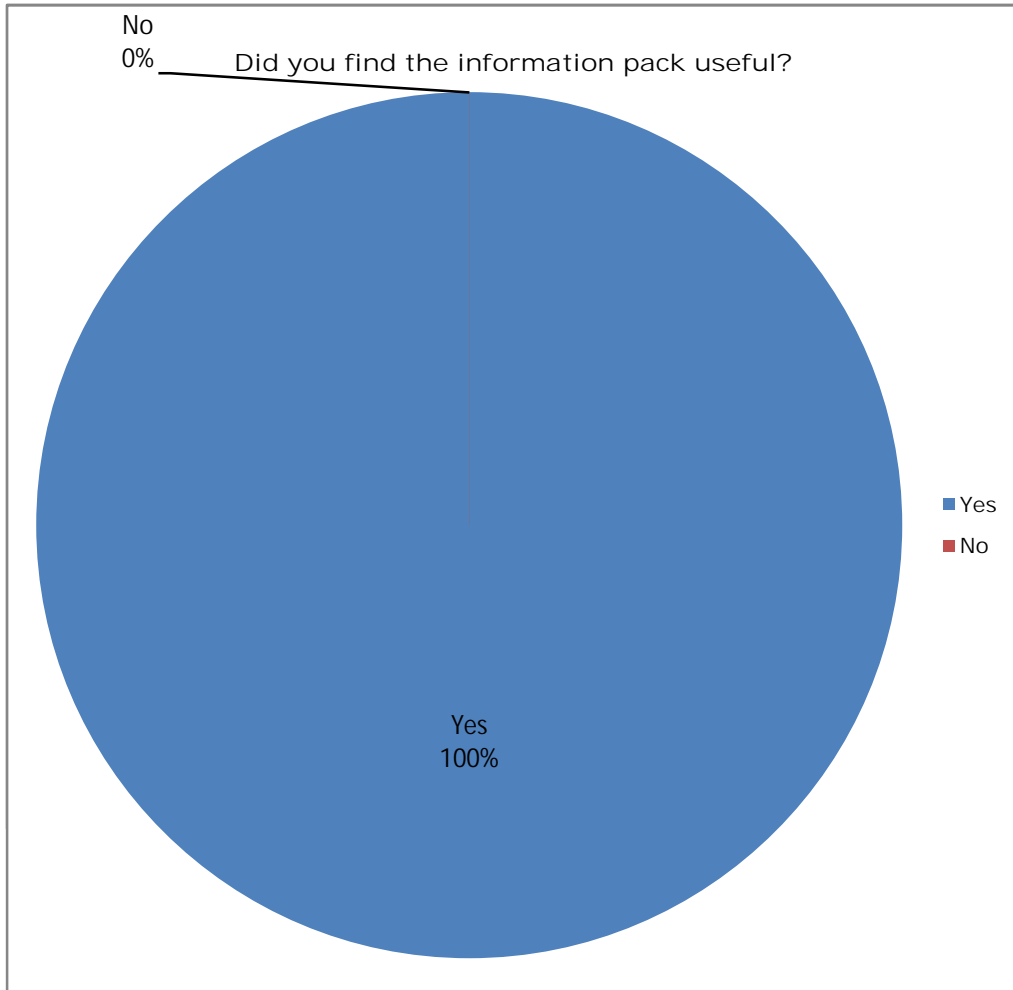

More local government information.

As a new SIRO, I needed an overview of expectations and guidance of what is require

6. Did you find the information pack useful?

Yes 39

No 0

## 7. Overall comments?

Excellent - very informative

Excellent!

Excellent workshop, covering a huge breadth of knowledge

Very useful - helped set out role and what we need to do

Nice mixture of workshop and listening

The pack has a lot of good stuff in it

Yes, very good. It feels like there is a whole mass of material which we skimmed over quite quickly.

Excellent session. I will be sending others.

Very useful course, excellent delivery, thought provoking.

Useful to have a concentrated space and time to focus purely on information governance. guess it will evolve!

I found it a really useful and informative day.

Well organised.

Workshop was very good. My objective was to understand what was required of me in the SIRO role. This was a

Useful also to network, scenarios was a helpful extra to the day.

Good.

Good course, right level for a one day introduction, realistic approach and thought provoking.

Excellent - as usual!

Excellent - good focus with practical help.

Extremely helpful and focussed.

Another thought provoking session with you.

Excellent.

Easy to follow, made sense of the complicated guidance.

Well presented by knowledgeable. Uncharted territory for most of us.

Enjoyable.

Excellent.

Very good course, interesting and well paced.

Very useful.

Excellent introduction to topic. Especially useful to have plenty of opportunity for open discussion.

Found the day very useful. Covered a lot of information which I will use in my job on a daily basis.

The content of the workshop was extremely useful.

Very useful - just what I needed/required.

Useful day. Good atmosphere.

Good to be able to discuss with like organisations around what they are doing and implementing. Thanks.

Feel more reassured of what we are doing in .....I and more importantly what we need to do!

The material helpful and will enable me to provide briefing and training in my own Trust.

Good to ensure that what we have put in place is correct!

have

(the first course)

ment + Assurance required.

ability for standards in the providers commissioned.  
ate.

ed and this fulfilled it.
